THE NARROWS CENTER has two visual art galleries. Visitors enter through the Narrows' main gallery, a space with an impressive 210 linear feet of exhibition walls in an elegant architectural design. Morphing several times throughout the year, this gallery presents artwork of every medium.

The Narrows Café Gallery occupies a linear wall facing Battleship Cove at the opposite end of the venue. Having two galleries affords visitors and artists multiple opportunities to view and exhibit fine art.

The Narrows presents museum quality nationally touring exhibitions in addition to the artwork of student, local, national and international artists. "The Art of the Brick," "Pulp Function," "Duende: The Art of Anthony Quinn," "Jerry García Art Tour" "Petroleum Paradox: For Better or for Worse" and "The Artwork of Richie Havens" are examples of extraordinary past touring exhibitions we’ve hosted. Docent led tours and workshops for children are integral to our visual arts programming.

Since arts related activities are cost prohibitive to many, the Narrows provides free admission to the gallery during regular gallery hours. In doing so, the Narrows affords everyone a no-cost opportunity to view spectacular artwork. Concert-goers are also welcome to view the artwork on performance nights.

GALLERY HOURS:  
Wed. through Sat. / 12pm to 5pm

NARROWS CENTER FOR THE ARTS, located in Fall River, MA, was founded in 1995 for the promotion and enjoyment of the visual and performing arts. The Narrows, a fully accessible venue, is comprised of two visual art galleries, a performance theater and visual artist studios.

Almost 20 years ago, the Narrows Center started as a 1,500 sq. ft. exhibition space located where the North and South Watuppa Ponds come together, an area the locals refer to as "the Narrows." Thanks to generous community support and strong stewardship, the Narrows Center has since grown into a 15,000 sq. ft. arts venue located on the third floor of a former American Printing Company mill building, which in the early 20th century was part of one of the largest textile operations in the world.

The space, with its high ceilings and spectacular views of Mount Hope Bay and Battleship Cove, has turned out to be the ideal acoustic and visual backdrop for what has come to be known as a regional destination for the visual and performing arts.

Today, the elegant architectural design of the space includes an expansive performance area, working artists’ studios, two art galleries and the Narrows Café, which complete the acclaimed Narrows Center for the Arts.

THE NARROWS’ PERFORMANCE SPACE has earned a reputation as one of the finest music venues on the East coast. With a state-of-the-art sound system, up close and comfortable seating and a respectful and knowledgeable audience, the Narrows has become a favorite tour stop for some of the finest musicians in the world.

The Narrows is a premier venue for diverse performers of blues, folk, rock, jazz, roots, indie, bluegrass and other genres. Musical luminaries like Los Lobos, Susan Tedeschi, Dr. John, Rosanne Cash, Robert Cray, Al Di Meola, Odetta and Richie Havens have all graced the Narrows’ stage. We have also been at the forefront of developing and supporting newer artists like Carolina Chocolate Drops, Grace Potter, The Avett Brothers and Lake Street Dive.

The Narrows has created a unique symbiotic relationship between artist, audience and venue that results in a world-class experience for all.

World-class entertainment in an intimate setting.

FRIENDS OF THE NARROWS CENTER

The Narrows Center relies on the generosity of the Friends of the Narrows, a special group of people who contribute a significant portion of funds necessary to keep the Narrows operating. Without this support, the costs to stage live music productions, organize and display art exhibitions, produce an annual arts festival, along with many other programs, would simply be too great.

We at the Narrows realize there are many worthy giving causes out there, and we truly appreciate your choice to support the Narrows Center for the Arts.
